

ULTRA NEXUS — Scale Without the Overheads; Building the Nationwide Distribution Ecosystem

Launched 13 April 2026 in New Delhi, ULTRA NEXUS (Network for Excellence, Xpertise and UltraLED Solutions) is a structured channel-partner business model. This is a smart move by Titan Intech as it gets national distribution reach without building a large, fixed cost direct salesforce.

Titan Intech has signed agreements with Green Sources Private Ltd. (GSPL) on 13th April 2026 and Transcon IT Solutions Private Ltd. (TISPL) on 21st April 2026.

Both companies will be NEXUS Distributors for all cabinet series products based on possible technology “SMD/COB/MIP” across “all available pixel pitch & other specifications and sizes” along with IFPD's. With this appointment, TISPL shall conduct marketing and sales of the above products in accordance with the provisions stipulated in the agreement.

GSPL is a well-known AV-Focused distributor, with a deep partner network connected to world-class brands, speed, scale & technical precision.

GSPL will be responsible for the supply and sales of Titan Intech products primarily in the Western region of India but may also cover pan India.

[Agreement with GSPL.](#)

TISPL is a well-known value-added distributor, AV solution distributor, and product sales provider in the industry, which integrates LED displays, product engineering, construction, product application, and product service.

TISPL will be responsible for the supply and sales of Titan Intech products in the East and North East region of India, including states like West Bengal, Bihar, Odisha, Jharkhand, Sikkim & 7 North Eastern States of India (Assam, Meghalaya, Arunachal Pradesh, Manipur, Mizoram, Tripura, Nagaland).
